## Wardens' Corner

Spring is here! What a lovely time of year. Everything is drying up and greening up. And we have lambs in the fields – as well as on the front cover of this magazine (Thank you Adam and Will). We just would like to be free of the night frosts! The first silage cut will be late this year with the recent and forecast lack of rain. Amazing after all the rain we had earlier in the year... Now I bet you all were thinking that nothing eventful would be happening in church after the wonder of Easter in April. How wrong you are! May is full of important dates for your church diary. I list them as follows:

**THURSDAY 13<sup>th</sup> May Ascension Day** is observed on the 40th day of Easter. It commemorates Jesus Christ's ascension into heaven. *Ascension Day is a holiday in many European countries, but not in the the United Kingdom. In Germany it coincides with Father's Day. All are welcome at our Ascension Day Service in church at 6:30pm.*

**SUNDAY 23<sup>rd</sup> May Pentecost**, known as Whitsun in the UK is 10 days after Ascension Day. The word Pentecost comes from pentekoste which means fiftieth in Greek. The Christian holy day of Pentecost is celebrated fifty days after Easter Sunday. It commemorates the descent of the Holy Spirit upon the Apostles and other followers of Jesus Christ while they were in Jerusalem as described in the Acts of the Apostles. Pentecost is regarded as the birthday of the Christian church, and the beginning of God's message to the world. It used to be the Spring Bank Holiday weekend in UK but was fixed to be the Sunday before the last Monday in May in 1971 after a 6-year trial period.

**SUNDAY 30<sup>th</sup> May Trinity Sunday** is the Sunday after Pentecost. It celebrates the Christian doctrine of the Trinity, the three Persons of God: the Father, the Son, and the Holy Spirit. A difficult doctrine to understand! Rather than me explain it here, why not come to church that day and have it explained officially? May is a truly eventful month in many ways!

**Note:** During the vacancy one of your two Churchwardens, Mike Whittingham or Malcolm Smart, will write a piece for "Wardens' Corner". If you have any questions about St Peter's Church, Hargrave, - or indeed any village organisation, please give one of us a call. We will try our best to help.

## **SUNDAY SCHOOL - ST PETER'S HARGRAVE**

**There will be restricted Sunday school in May due to coronavirus.**

There will be no Sunday School on the 1st but we would love to see every one at the May Family Service.

## Foodbank News

A huge thank you to all those who have kindly sent or put food in our FOODBANK collection box. Last month we had a bumper collection which was really appreciated by the many families and individuals who were helped out. In one collection over Easter there was 53kg of food (all donations are weighed as they come in.) That's a lot of food for a tiny church which has been locked up for months! In these Covid19 days there are so many more families who have lost their jobs and who are finding it more difficult to put food on the table at home. Occupations which you would have thought were safe are being lost as shops shut for good or companies have to cut back their workforce. We won't know the full extent of the job losses for some time yet, but we do know the increased number of families asking for support. Please help if you can. The donation box is in church.

## Huxley C.E. Primary School

**The crocuses the children planted in the Autumn, with ardent wishes that their school could stay open and flourish again, have flowered. And the children's prayers have been answered.**

With Spring has come a new start for Huxley school. After the months of hard work by the Head, the newly formed Governing Body and the PTA and with the unfailing support of the local Community, the School is again open for business. The plan was to welcome new pupils after the Easter break, but thanks to the intensive press coverage, social media and news items on both the BBC and ITV, the first pupils arrived before Easter. And before our new teacher, Libby, was even officially in post, she was updating the KS1 classroom and its learning environment and getting to know her new pupils. Then, ten more pupils started after Easter, another 8 are already enrolled for September, a first Open Day was held on April 16 with families and children visiting the school and there are daily enquiries from families near and far. More recruitment is expected during the summer term.

Cathy Davies, the Headteacher, sums up the overall atmosphere in the school:

"It's as if a pause button had been pressed on the school for the last year: now it's back on track and it's full steam ahead!"

There are challenges ahead, remodelling the school's offer, with its hybrid model of full-time pupils and flexi-schoolers and there is no doubt that it is an exceptionally busy time for the school. For everyone involved however there is an overwhelming feeling of hope and confidence in the future. We have all believed that Huxley School is a treasure worth saving. And what do the children think? In the words of a new pupil to the school, it's "pretty cool"! Our new teacher, Libby, has said: "Huxley School is clearly very special to so many, and I feel honoured to have joined the team on its truly unique journey. I am so excited for the children and I am

looking forward to working with them and their families to provide the very best experience. I want our new pupils to fall in love with learning at Huxley School. And what a fabulous start we have had, with happy children, parents and staff!"

### **RBL 100 - A Century of Service**

The Royal British Legion was formed in the aftermath of the First World War when four organisations came together to fight the injustices faced by those returning home after service – and became the British Legion in 1921. From the beginning they campaigned for fair treatment of those who had given so much for their country during the war and provided much needed welfare support and comradeship to millions.

100 years on they continue to respond to the changing needs of the Armed Forces community, providing small interventions to life-changing, and sometimes lifesaving, support.

As they reflect on their achievements over the last 100 years, they

know they are not theirs alone. The RBL has always been supported by a network of volunteers, members, fundraisers, and corporate partners who share our passion for bringing people together to support, commemorate and celebrate our Armed Forces community.

To mark the occasion on 15<sup>th</sup> May, the Royal British Legion are asking you to join them in celebrating their rich history, the differences that have been, and looking forward to the next 100 years.

There are many ways to get involved and celebrate the centenary year. Visit the website to find out more:-

**AN APPEAL to hear the BELL PEAL AGAIN**  
**at**  
**St Peter's, Hargrave**

Dear Hargrave resident - the church clock and its striking mechanism has not been working for some time and the Parochial Church Council would like to put things right. Would you be able to help in these difficult times? The PCC has a 400 year old grade 2\* listed building to maintain and funds are tight – and there has been very little recent income from letting the Church Hall as a result of Covid 19.

Estimates to put matters right are as follows:-

For the clockmaker to remove the redundant oil -bath movement and corroded striking hammer, to prepare and install a new synchronous movement, structural repairs to hammer shaft and tail, shotblast the hammer, protective coating, lubricate and re-assemble :	£2,850
External scaffold – hire, erection and dismantling :	£500
Internal tower scaffold – hire, erection and dismantling :	£160
<b>TOTAL</b>	<b><u>£3,510</u></b>

Church Council

## CHURCH BELL and CLOCK

Please see opposite the Appeal that was circulated last month to each household in Hargrave. There has been a very generous initial response from local residents so far. Would you be willing and able to contribute to help us achieve the overall funding required to put things right? It would be good to ring out the news and celebrate the end of the pandemic later this year. Thank you.

Many thanks for your support.

## The Joshua Tree

**May...** according to the Collins dictionary - 'is to indicate that something will possibly happen or to be true in the future, but you cannot be certain.' That seems to sum up our present position in a nut shell . I would like to say welcome to our fund raising coffee mornings, but is that tempting fate?! Hopefully we are starting **June 4<sup>th</sup>**, Covid 19 rules permitting.

**THE PLOUGH INN, CHRISTLETON.**  
**11a.m - noon £5.00 and a raffle prize please**

**'May** reminded me that I had a Great Aunt May – in her generation flower names were very popular Violet, Primrose, Rose. Every ten years or so a new group of names become fashionable. In ones class there was good evidence for this, because unless your parents didn't follow fashion, there would be several children with the same christian name. Look at your friends of the same generation! Until fairly recently you could only have your child baptised in the Roman Catholic church if the name was on the list of Saints. But eventually Dwayne, Sky and Storm won the day! Some names go from one generation to the next. Emma has been with us for many generations and Mary with its religious roots. City names, maybe recalling happy times Nancy, Roma, Paris. Families usually include a beloved Grandparent's name as a second name, a subconscious continuity of line? Do parents stop and consider what the name can be abbreviated to in the school playground? - some children really suffer! A name, protection and a loving home is the best a parent can offer a child. We can help those that lighten the burden when more is asked. To chat, drink coffee and eat cake whilst contributing is our small help.

Thank you very much to everyone who took part in the Easter activities.

Great feedback on the quiz, thank you to those who joined.

## **Getting Yourself Remembered by Ol' Buzz**

After WWI, General Robert Nivelle, Hero of Verdun, made a tour of America. Hollywood arranged a grand reception, for the General to meet the Stars. Chaplin was very nervous and asked Will Rogers how he should address the great man. Rogers advised, "Well you might ask him if he was in the war, and which side he was on."

*In 1933, John Betjeman married Penelope, daughter of Field Marshall Lord Chetwynd. Betjeman, 27, wondered how to address his future Father in Law. Chetwynd put him at his ease saying, "You needn't go on calling me Sir – call me Field Marshall".*

A pompous lady complained to Lord Berners that a Head Waiter had not shown her and her husband to a table immediately. "We had to tell him who we were !" Berners inquired, "And who were you ?"

*Lord Charles Beresford, friend of future King Edward VII, tiptoed down the corridors of a Stately Home one night. He entered one bedroom and leaped into the middle of the vast bed, crying "Cock a Doodle Doo!" After much ado, a lamp was lit and he found himself between the Bishop of Chester and his wife. He (wisely) left the house before breakfast.*

Eric Morecambe suffered a heart attack in Leeds at 1am, and lay helpless in his car. The only person on the street was a TA man, who "Drove the Jensen like a tank" for miles to a hospital. As Eric was wheeled into Intensive Care, the man asked, "Can I have your autograph ?"

*Lord Nuffield had been dining at an Oxford college. On his departure, a porter swiftly produced his hat. "How do you know that's my hat?" asked Nuffield. The porter replied, "I don't My Lord, but it's the one you came in with."*

## HELP NEEDED PLEASE

We always make a good effort to make our church look great every week. We have received many compliments for our flowers on the altar and in front of the pulpit. But these need supplying and arranging and we would like more help to do this.

If you feel you could help with this, we would be very grateful. Please contact Joan 781305 or Brenda 781212. They will add you to the Flower Rota.
